Smith a Good One.

One of the youngsters who has been highly recommended is Smith, of the Southern League. The members of the Windy City team tout Smith as the real goods in every way except that he is a little wild. He is said to have one of the swiftest balls ever pitched on the Chicago diamond, with a vicious, sudden break that fooled all of his teammates in practice. Like most swift pitchers, especially young ones, he is not as reliable in putting the ball just where he wants it as he might be, but that should not count too much against him, as Rusie and many other men who atterward became famous on the diamond

Smith is also said to be a foxy pitcher, fectly able to handle himself posing the big batsmen of the igue.

The Georgetown Varsity ball team left this morning for New York, where the first game of the Northern trip will be played tomorrow with Fordham. The entire Plue and Gray squad, including Keane and Simon, the substitute pitchers, have been taken along.
As Fordham is unusually strong this

Saturday, leaving Seitz to oppose Mackay, the former Georgetown twirler, at Yale on Monday.

Tuesday's game with Wesleyan at Middletown is considered the easiest of the trip, so either Keane or Simon, will be worked in that contest.
